KING OF LOW PRICES**Greatest SHOE SALE
OF THE SEASON!**

It would make any self-respecting animal shed tears to see the prices we sell the product of it's hide for.

Notwithstanding the boom in prices planned for by the Manufacturers, here are figures much lower than the wholesale people can quote.

Last week we bought the entire line of samples of several of the largest jobbing houses in the country at less than 50-cts. to the dollar.

Money talks, and the people who buy of us make every penny count.

Just One-Half Price,

YOU COULD NOT BE EXTRAVAGANT IF YOU TRIED. Neither the styles nor the prices offered in this remarkable sale can be duplicated.

THINK OF IT.**

U-G BAKER
KING OF LOW PRICES**LEVEL GREEN**

We have nothing sensational to report, no feuds, fights, drunks or runaways. I suppose the fact of Cam Sowder and myself being born, reared and living so long in Possam Holler is one cause of its morality. The sick of our community including old Back, seems to be pulling an up hill grade just a little, but the way is rough and the grade is steep, therefore our progress is slow. Mrs. Margaret Hasty, wife of J. L. Hasty, has been very sick for quite a while. Messrs. Towery and Owens are better at this writing. J. M. Huns is able to visit relatives. Nearly 5 long years has he tussled with stomachic trouble, neuralgia &c.

The rain has come and it has gladdened the hearts of the farmer and made them thankful for the time being, but we are so constituted, or so educated that we soon forget the blessings we are constantly receiving, and rely too much upon our own feeble selves instead of asking help from Him that is always able and willing to help us. This is the main reason that Satan has such a grip on the human family to-day and has so many servants in his vineyard. Did you ever think how well he, and his cause, are represented in this fine prosperous country of ours? Yae, in the habitable earth? Why some of his best agents are found even among our preachers and church members, saying nothing of our statesmen, politicians and other professions. I used to think that farmers and common laborers were nearly, or quite, all honest, but I found out that human nature is the same everywhere. The common laboring man, tho' I will admit is worst imposed upon; and I have often wondered how he can pay all the robber tax placed on him by those other fellows. It is true that the U. S. is called "The land of the free," but I'd like to know when it became so; If we haven't a system of slavery—serfdom, I am too ignorant to distinguish between the two—Freedom and Servitude. I started in to talk a little on religion and got on to politics. The chairman declares me out of order. Religion of some sort prevails among all nations, but not "pure and unadorned religion"—Christianity. Not a great deal of it, I am sorry to say, is to be found among us, even, who profess to have it. Mere formality is taking or has already taken its place. Brethren let us remember from whence we are fallen and have ten to repent and do our first work; lest our candle stick be removed from out its place. The oldest religion is either the Jewish or that of Confucius in China, the latter tho' I believe. Either of which far antedates the Christian religion; then we have Buddhism and Brahminism and other ancient Eastern religions which are well represented beside the different pagan or heathen religions that perhaps outnumber many of those others. This gives us some idea of the slow progress Christianity is yet making in the conversion of mankind. But if Christian nations would spend one-half (1/2) the amount in sending missionaries and school teachers to heathen lands that they do for war and big battleships the gospel would soon be preached to every creature.

BUCK VARNON.**QUALITY VS. QUANTITY.**

Hard muscles and strong body do not depend on the quantity of food you eat, but on its perfect digestion and proper assimilation. When you take Kodol Dyspepsia Cure your system gets all the nourishment out of all the food you eat. It digests what you eat regardless of the condition of the stomach and conveys the nutrient properties to the blood and tissues. This builds up and strengthens the entire system, overcomes and cures indigestion, dyspepsia, belching, sour stomach, etc. Kodol Dyspepsia Cure for what is sometimes called America's national disease—dyspepsia—is destined to eventually work a wonderful and lasting benefit to sufferers from this distressing and mind harassing condition. CRAB ORCHARD

Miss Katie King has gone to Covington to spend several weeks with her sister—Mrs. Lizzie McCarty and little daughters visited Mrs. M. B. Patten on Thursday last. Mrs. M. E. Fish has gone to Knoxville to spend a few weeks with her daughter, Mrs. Dr. Black. Miss Gertrude Lench left this place for Cincinnati last Thursday. She made many friends while here and they regretted very much to give her up.

Mr. Joe Magee has gone to Lancaster to spend several days fishing. The Crab Orchard baseball team beat Stanford on the former's grounds, score, 15 to 5. Mrs. M. B. Brough and Mrs. L. A. Pettus left Thursday for Campbellsville to visit friends for a few days. Miss Sue Beth James, of Stanford, is visiting her aunt, Mrs. J. P. Holdan. Misses Lula and Clara Menace, of Abright are visiting their sister Ernie for a few days. Mrs. R. H. Brough has been to Lexington to see her daughter, who has been very sick, we are glad to hear that she is able to be up. Decoration day was not observed here May 30th, only by a few old soldiers, who went to the cemetery carrying baskets of flowers. Mr. Geo. Thompson and wife and Mr. Shivel and wife, all of Mareburg, gave our town a call yesterday the 30th, on the quiver, in expectation of wedding in our midst of one of our popular gentlemen and lady—Miss Lena Napier, showed us a set of table napkins and doilies, this morning, consisting of 37 pieces. They were for Mrs. M. J. Harris, of Louisville. It was a very handsome set, for which she gets \$25, which seems small compensation for the labor and eyesight expended.

CUBAN DIARRHOEA.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs, of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." Sold by all druggists.

THE POOR EDITOR.

In Missouri the other Sunday a preacher at the end of his sermon said: "Let all in the house who are paying their debts stand up." Instantly every man, woman and child rose to their feet. The preacher seated them and said: "Now every man who is not paying his debts stand up." The exception a careworn, hungry looking individual, clothed in last summer's suit, slowly assumed a perpendicular position. "How is it, my friend," asked the minister, "that you are the only one that is unable to meet his obligations?" "I run a newspaper," he answered meekly, "and the brethren here who just stood up are my subscribers and—" "Let us pray exclaimed the minister.—E. H.

A GREAT FIDDLERS' CONTEST.

Col. J. M. Biggs, of Glasgow, Ky., has leased the new Masonic Temple Theater, Louisville, for three nights, June 14, 15 and 16, and will hold the greatest old time fiddlers' contest and jubilee on record there at that time.

Col. Biggs conducted the great contest at Nashville recently in which the Kentucky Fiddlers won the State championship over the Tennesseans, and will bring all these great fiddlers and hundreds of other to the Louisville contest.

Fifty-thousand posters are being sent to all parts of Kentucky, Indiana and Ohio. In these posters the Kentucky fiddlers challenge the fiddlers of Indiana, Ohio, or any other State in the Union to excel them.

Large cash prizes will be offered for the best players in troupes, bands and single handed, and there will be a grand parade each day through the streets of the city, by hundreds of fiddlers keeping step and time taps on fiddles as they march. A very low rate of one cent a mile on all railroads from points South the Ohio river will be in effect for the round trip good for several days, and all the great fiddlers within a 100 mile of the city will be there. A part of the net proceeds of the contest goes to the Old Soldiers' Home, at Pewee Valley. For this reason all newspapers and all others should do all in their power to make it a success.

The name and address of all fiddlers in the State is wanted. For

supply of posters and full particulars address, J. M. Briggs, Glasgow, Ky.

FOUND A CURE FOR DYSPEPSIA.

Mrs. S. Lindsay, of Fort William, Ontario Canada, who has suffered quite a number of years from dyspepsia and great pains in the stomach, was advised by her druggist to take Chamberlain's Stomach and Liver Tablets. She did so and says: "I find that they have done me a great deal of good. I have never had any suffering since I began using them." If troubled with dyspepsia or indigestion why not take these Tablets, get well and stay well? At all druggists.

Secretary Shaw's statement that "we are not worrying about the deficit," which, by the way only amounts to \$22,000,000, seems to warrant his statement that he is not a candidate for President. If Mr. Shaw were of presidential size he would be worrying.

The newspaper men who accompanied the President on his recent hunting trip, and remained outside the hunting tract—sent their papers an account of a Colorado grizzly climbing a tree. Now the naturalists of Secretary Wilson's Department announce that grizzlies can't climb trees. That's why everyone looks suspiciously at Private Secretary Loeb, these days.

FOR MAGISTRATE

We are authorized to announce
GRANVILLE LEECE
as a candidate for Magistrate in the Fifth
district composed of Brown and Broadhead
voting precincts, subject to the action of the
Democrats of that district.

THE Democrats have long ac-
cused the Republican party of be-
ing the representative of vested
interests, of monopolies and trusts.
Now the Republicans have an ex-
cellent opportunity to prove the
charges false—if they are not true.
A Republican President has called
attention to the fact that the tariff
schedules must be lowered to secure
a "square deal to all American
citizens," because the present high
rates are being used by the trusts—
"the hogs with their feet in the
trough," as the President terms
them—to rob American consumers
while foreigners are reaping the
benefit of the self denial practised
by the American people to build
up their "infant industries." A
Republican President has pointed
out that the highways of the nation
are the railroads and that justice
cannot be insured to all equally as
long as these public highways are
dominated by a few individuals or
corporations. A Republican Presi-
dent has demanded a statute which
shall compel the managers of polit-
ical campaigns to make public the
list of the contributors to their
campaign funds, so that the people
may know who supports the re-
spective candidates and to whom
they are obligated. These remem-
ber the demands of a Republi-
can President. If the Republican
party is not all that the Democrats
have charged the way is open for
the party to prove it by responding
to the demand of its own President.

POLITICS AND POLITICIANS

We are told that Congressman
Edwards has "opened the door of
hope" to a colored man at Alta-
mont by recommending him for the
postoffice.—London Local.

W. L. Douglas, the Democratic
Governor of Massachusetts, who
received a plurality in the election
last fall when Roosevelt carried
the State by an overwhelming vote,
has announced that he will not be
a candidate for reelection, as he
has little taste for public office and
prefers the quietude of private life.

It is believed at Washington that
the President is almost persuaded
to abandon the idea of calling
Congress together in extra session.

President and Mrs. Roosevelt's
annual Memorial Day tribute to
the memory of the late President
McKinley was a wreath of pink
and white roses.

Editor Harry McCarthy, of the

nomination for Representative in
Democratic primary in that county
Thursday. He is for Blackburn
for Senator.

A feature of the Whitler County
Circuit Court is the case of the
Commonwealth against a man
charged with stealing a box of ba-
con worth \$28. The case has cost
the State over \$1,000 and the de-
fense perhaps an equal amount.

Ground has been broken at Wil-
liamsburg for the erection of a
handsome college building. In
fact, it will be one of the finest ed-
ucational structures in Eastern
Kentucky. The nucleus, to which
other funds have been added, was
a donation from the American Mis-
sionary Association, an organiza-
tion under the guidance of the
Congregational church. Some
time ago, the academy under the
protection of the church, was burn-
ed at Williamsburg, and it was de-
cided to erect a building of a more
pretentious type, enlarge the facili-
ties and raise the standard of the
school.

County Attorney O'Donnell has
filed suit in the Mason Circuit
Court against Superintendent of
Schools Well to compel him to pay
the county the \$5,000 he paid the
attorneys who won the suit for him
against the American Book Com-
pany. O'Donnell claims Wells had
no right to employ attorneys.

At Richmond Monday afternoon
Bud White, a negro, became in-
volved in a dispute with chief ma-
chineist Becksted, of the Louisville
and Atlantic work shops, and fired
at him. The bullet struck James
Anderson and Everett Green, two
workmen, who were standing near
by, and both were dangerously
wounded.

Last week an unusual initiatory
ceremony transpired in the Masonic
Lodge in Carlisle. The Advocate
says: "Howard Keene Veach,
who was twenty one years old on
the 22nd, son of Sam K. Veach,
was given the Entered Apprentice
degree with his father as Worship-
ful Master, his mother's oldest
brother—Dr. S. R. Fisher—as Sen-
ior Deacon, her youngest brother—
C. H. Fisher—Senior Warden, his
grandfather, eighty years of age,
was to have vacated as Junior War-
den but illness prevented. Old
members say it was the most im-
pressive ceremony ever witnessed
in a lodge."

Colonel Lovings was shot and killed by a man by the name of Spikes last Tuesday near old Providence church. There was a celebration in the grove near the church and the best information we have been able to receive is, that Lovings and Spikes met up at a spring near the church and the trouble followed. It was the result of an old grudge.

The suit of E. C. McWhorter, against the town of Livingston, was decided in favor of the defendant—the town. Some several months ago Mr. McWhorter was crossing the Livingston bridge with a large number of cattle, the bridge gave way and some fifteen or twenty were killed. Suit was brought but yesterday dismissed on the grounds that a town the size of Livingston is not responsible for its bridges.

A cablegram from St. Petersburg says the spirit of revolt is rising among the Russian troops in Manchuria, and that Gen. Linevitchev has wired the Czar that a continuation of the war under the circumstances is impossible. Little hope for the Russians can be found in the latest dispatches regarding the naval battle. Only four of the vessels of Rojensvensky's fleet are known to have reached Vladivostok the cruiser Almaz and the torpedo boat destroyers Grizy, Bravi and Teresiahty. The full extent of the Russian casualties is not yet known. The Japanese losses are reported from Toki, are only three torpedo-boats sunk, three officers killed and about 200 men killed or disabled. It is definitely known that Vice Admiral Rojensvensky is captured. Interest now turns to the situation in Russia as the result of the naval disaster. The Emperor Wednesday summoned to the palace at Tsarskoe-Selo all the members of the imperial family and later called into extra-ordinary council Admiral Alexieff and all and all his Ministers of State, and a series of conferences took place. The result of these conferences is in doubt.

DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc. If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of FOLEY'S KIDNEY CURE. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend FOLEY'S KIDNEY CURE to any one suffering from kidney or bladder trouble."

EXCURSIONS TO THE WEST

To the Pacific Coast—to California, Oregon, Washington—round-trip, long transit and return limits, liberal stop-over privileges.

The rate is practically on the basis of one fare for the round trip. Of course, if you wish to visit both California and Oregon or Washington, the cost is slightly more.

These reduced rates are in effect on certain dates in months of May to October, inclusive. They apply from all Eastern points via Chicago, St. Louis or Memphis gateways. The Rock Island System will take you up in either Chicago or St. Louis, or at hundreds of other Middle West points and carry you to the Coast in through Standard or Tourist Sleepers with unexcelled Dining Car service. The Rock Island also affords a choice of routes: on the "Scenic" route you can stop off in Colorado—see Salt Lake City—visit Yellowstone National Park; on the "Southern" route you can go via El Paso, thru New Mexico, then "up coast" to San Francisco and on to Portland or Seattle if desired.

In short, these Pacific Coast excursions offer an unusually good chance to see our western country in a comprehensive manner.

If you desire to go only as far as Colorado, there are excursion rates in effect to that section and return, all summer long, specially reduced June 30 to July 4, August 12 and 13, and August 30 to September 4. Extension trips to Ogden or Salt Lake and return at low cost also.

From September 15 to October 31, 1905, one-way tourist or "colonist" tickets will be on sale to California and the Pacific Northwest—about half regular fare.

If interested, send name and address on this coupon, designating which booklet wanted and to what point you plan to go. Name probable date of start also, so we can advise definitely with respect to rates, etc.

THE STATE SUNDAY SCHOOL CONVENTION.

IMPORTANT TO DELEGATES.

The Fortieth Convention of the Kentucky Sunday School Association meets at Somerset, June 7, 8, and 9, next. Every Sunday School in the State should be represented. Three of the choicest workers of America, beside the choicest speakers of our own State will be on the program.

The people of Somerset are as hospitable a people as can be found in the State, but naturally their capacity to entertain is limited, and in order that no one may be shut out who desires to go, our State executive Committee will provide entertainment at hotels and boarding houses for all over the number the people can entertain in their homes. It therefore becomes necessary for the State Committee to charge each delegate asking for entertainment \$1. This is a small amount and no delegate should feel it a hardship to pay it. If it should not be needed for entertainment, it will go into the State treasury.

A special train will leave Louisville at 10 a. m. June 7, and arrive at Somerset 4:10 p. m. For particulars, consult J. R. STUCKEY, County President, Livingston, Ky.

The United States Supreme Court had adjourned for the summer term.

HUGE TASK.

It was a huge task, to undertake the cure of such a bad case of kidney disease, as that of C. F. Collier, of Cherokee, Ia., but Electric Bitters were so far gone, I could not sit on a chair without a cushion; ache, headache, and depression. In Electric Bitters, however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach. Guaranteed and sold by all druggists.

Attacks of colic, cholera morbus and diarrhoea come on so suddenly that there is no time to hunt a doctor or go to the store for a medicine. Mr. Barber says: "I have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy which is one of the best medicines I ever saw. I keep a bottle of it in my room as I have had several attacks of colic and it has proved to be the best medicine I ever used." For sale by all druggists.

QUESTIONS AND ANSWERS.

2 The wife of King Ahazurao refused to obey him and wives have been going it rather as they please ever since.

J. N. BROWN.

Answer to J. N. Brown's questions, as to why we invert divisor in division of fractions, as for example: If we wish to divide $\frac{2}{3}$ by $\frac{3}{4}$, as a fraction is divided by multiplying its denominator, we multiply the denominator of the dividend, $\frac{2}{3}$, by the numerator of the divisor, which is $\frac{2}{3} \times \frac{3}{4} = \frac{2}{4}$. We have now divided the fraction by 3, but that is too large as the required division is $\frac{2}{3}$ and 3 is 4 times $\frac{3}{4}$, consequently our quotient is too small in proportion as our division was too large. As our division was 4 times too large, our quotient is only $\frac{1}{4}$ of the required number. So we multiply the numerator by 4, as multiplying the numerator multiplies the fraction; then we have $\frac{2 \times 4}{4} = \frac{8}{4} = 2$. So $\frac{2}{3} \div \frac{3}{4} = 2$.

In the sentence, "I discovered him to be a villain," Him is the objective subject object of the verb discovered, and subject of the infinitive to be, villain is the objective predicate.

MRS. M. B. PATTEN.

Broadhead, Ky., May 30, 1905
Editor SIGNAL:—Enclosed are some answers to the questions of last week's issue. To J. N. Brown's first question, I will say that to explain fully as requested, why we invert the divisor when dividing one fraction by another, would occupy too much space.

To the second question, the phrase, "him to be a villain," is the object of discovered. "Him" is in the objective case, subjective of the infinitive, to be. Rule: The infinitive has some times a subject in the objective case.

"Villain" is the predicate objective case after the verb, to be. Rule: The verb, to be, takes the same case after it as before it.

To Mrs. Patten's questions concerning characters:

1st. The wife of lot refused to obey him, when he asked her not to look back into the burning city of Sodom.

2nd. Abraham's wife, Sarah, was 127 years old at her death.

MRS. W. C. SWINFORD.

I would like to ask some one that is better posted in the Bible than I am, this question: According to the Bible, Adam and Eve were the two first people on earth and they had three boys. Cane slew Abel and that left two boys and now tell me where the woman came from?

"The Man In Gray"

BEAUTIFUL THREE-COLOR PRINT.

As its offering of respect to the Confederate Veteran's Union, the Henderson Route is distributing a beautiful three-color print, entitled "The Man In Gray," which is receiving widespread admiration throughout the entire South.

The picture, which is printed from an extra fine etching, reproduced from an original drawing by Mr. Robert M. Hoce, the celebrated artist of the Louisville Courier-Journal, is 16x22 inches, and is painted on fine enameled paper, sufficiently heavy for use unframed, but equally suitable for framing.

It is executed in the three cardinal colors of the Confederacy—gray, blue and red—on a white background, and has been rightly termed by critics "a gem."

They are enclosed in strawboard mailing tubes for safe transmission by mail, thus avoiding any possibility of breakage and insuring safe delivery.

Send five (red) stamps to L. J. IRWIN, Logansville, Ky., for this beautiful reproduction, and after you receive it, whether you are from the North or out of the South, you will be an enthusiastic admirer of the "Hero of the Gray."
